Enforcement checks of Companies

1735. SHRI SANTOSH KUMAR SAHU : Will the PRIME MINISTER be pleased to state :

(a) the number of companies identified for enforcement checks each year during the last three years;

(b) whether it is a fact that only a small number of companies i.e. less than 1 per cent of the total registered companies are normally selected for enforcement checks each year; and

(c) what steps are taken or proposed to be taken to make enforcement checks more effective and to amend the Companies Act, 1956 to overcome the hurdles in enforcement checks ?

THE MINISTER OF STATE IN THE MINISTRY OF LAW, JUSTICE AND COMPANY AFFAIRS (SHRI H. R. BHARDWAJ) : (a) and (b) Companies are identified and selected for inspection currently on the basis of the following criteria :—

(i) 70% of the companies whose paid up capital is Rs. 1 crore or more as well as investment and finance companies;

(ii) 20% of the companies on the basis of complaints of investors and others; and

(iii) 10% of the companies on the basis of their incurring recurring losses as well as qualified remarks of Auditors in Audit Reports.

In adition, Registrars of Companies also carry out the technical scrutiny of the balance sheets and Profit & Loss Accounts of public companies.

Inspection of books of accounts and other books and papers were conducted under Section 209A of the Companies Act, 1956 in respect of the following number of companies during the last three years :

Year ended	No. of companies inspected	No. of companies at work at the end of the year
31-3-1990	129	2,02,128
31-3-1991	119	2,24,452
31-3-1992	160	2,50,397

It has not been possible to inspect more number of companies due to paucity of Inspecting Officers. It has not been possible to carry out the technical scrutiny of the balance sheets and profit and loss accounts of all public companies due to heavy paucity of staff and officers.

(c) Proposals have been made for augmenting the strength of staff and officers at the field offices. As the existing statutory provisions of Companies Act, 1956, are adequate to carry out the enforcement checks there is no proposal to amend the Companies Act, 1956, in this regard.
